Review: Deadly Shores is an action packed episode in the Destroyermen series that sets the stage for some new enemies to enter the fray. While the advances made in this book are substantial the heroes are just beginning to learn just how big their war may really become. The characters are fun as usual. The development of the Human/Cat society, science, war machine...

Description: The Destroyermen series continues from the New York Times bestselling author of Straits of Hell. The ambitious, long-planned raid on the Grik Empire has grown dangerously ill defined. Only Matthew Reddy, commander of the old destroyer USS Walker, seems focused on the original intent. While many Lemurians see an opportunity to reconquer their stolen homeland,...
